

Nursery Class – Summer update

We had some caterpillars in class. We looked after them in a special place in class and watched them grow and turn into chrysalis's and then butterflies. We then watched them fly away in the garden.

We shared the story of The Tale of Peter Rabbit; we all helped to collage some of the characters for our display. Two friends did their own drawings of Mr. Macgregor and we acted out the story in class.

During outdoor and adventure week we joined in the campfire and cooked marshmallows. Lots of us said this was our favourite activity during the week.
